Thank you for your interest in my photography. You can reach me at Lisa@LisaPhoto.com

I have won "Best of Show" in Professional Photography twice at the Ventura County Fair and taught classes on "Hand Tinting of Black and White Photographs" and "Photography for Parents". I have participated in the Ventura ArtWalk, and served on the Board of the Buenaventura Art Association.

My work is on display at Community Memorial Hospital. They have included a collection of my baby & child portraits on the 3rd floor of the new Ocean Tower. My husband Gil has 2 fine art prints in the Ocean Tower collection as well. We both have art prints displayed in the Mountain Tower in the Physiology and Engineering Departments as well as the 3rd floor Surgery hallways. I have contributed portraits to the Critical Care, Telemetry and Spiritual Care Departments. Main Street and Camarillo CFH Clinics have a small collection of my prints on display.

Fine Art Prints are available in a variety of sizes, finishes and products. Prints are titled, numbered in sequence of printing and/or signed as requested. Portraits are signed when requested. Prints are available to order in either a large print for $300 or a small print for $80.

Baby Portraits are captured in about an hour at your home. **Family Portraits** are set at your home or on location. My fee is $600, which includes either a large print or 4 small prints. I love babies in their 4th month - so I will give you a coupon for $200 off during that month. Gift Certificates are available.

High School Senior Portrait: This session normally runs about 3 hours at various locations including your home, local parks, locations and/or schools. We can work on capturing various themes, hobbies and/or sports. My fee is $900 which includes either a large print or 4 small prints, or a $300 credit to apply towards any order.

I am not currently offering appointments for large family groups, family reunions, boudoir or weddings. Portrait fees are due at or before your sitting in cash or check.
